Manchester Post Basic Dysphagia Course

CASE STUDY

Student name:

Student number:

Client Group: **Paediatric** **Adult** **ALD** (please circle one)

Total number of Words: (should be 3,000 – 5,000 excluding appendices)

Case Studies are marked 'blind' to assure the marker's impartiality. This front sheet should therefore be detachable. All other pages should have your student number and page number only.

Submit two paper copies of the Case Study in soft A4 folders. Do not submit loose sheets of paper as these can get lost (but this front sheet must be detachable as described above).

Case Studies should be returned with your completed examination papers on the Examination Day or sooner.

Send the two copies of your Case Study to:

Manchester Post Basic Dysphagia Course, Oak House, Canalside, Moore, Cheshire, WA4 5QT, UK
